

RETURNING VETERANS

Home safe. Drive safe. Stay safe.

Motor vehicle crashes are the leading cause of death in veterans in the early years after returning from deployment.

Don't let that happen to you.

- ★ Don't drink and drive.
- ★ Don't ride with a drunk driver.
- ★ Always wear your seat belt.
- ★ If you ride a motorcycle, always wear a helmet.
- ★ Mile for mile, a car is about 35 times safer than a motorcycle.
